

10 Songs For Charity

Original title: 10 Songs For Charity

When Nigerian sisters Happy and Charity arrive in Europe they are picked up by the right-hand man of Mrs Dolores, the madam for whom they will work as prostitutes. The sisters are assigned a room in an apartment shared with three other women, who look on the newcomers with suspicion and contempt. But a sense of solidarity gradually emerges. With humour, resilience and song, they endure the exploitation and the many humiliations they face. Until one day it becomes too much for them, and they revolt, singing their anger from the rooftops.
