

A Punk Daydream

Original title: Lamunan Oi!

"Indonesia, the country I shed my blood to defend". Left to fend for themselves on the fringes of a society and families that have stigmatised them, Jakarta's young punks speak up. The conflict of teen punk Eka with his parents is driven by an intense quest for individual freedom. Meanwhile, not so far away, at one with the land and embracing similar ideals, are the local traditional tribes who have found freedom in perfect tune with nature, but struggle to maintain their identity.
