

Back to School

Original title: La rentrée des classes

Indian and Cowboy are about to embark on a superb luxury cruise, but they forgot something... it's the first day of school! Goodbye exotic islands, back to the boring classroom. Yuri, the geography teacher, comes up with a great idea to brighten the first day of school - a competition where the winner will join him on a trip to the moon. Cowboy and Indian are determined to win by any means necessary.
