

Becoming Mona

Original title: Kom hier dat ik u kus

When Mona is nine, her mother dies in a car accident. Her father moves his new lover Marie, who is younger and very demanding, in with their family. Mona must call the newly pregnant woman 'mum'. She makes the best of it as she feels responsible for the success of this new family, even though it is at the expense of her own feelings. We follow Mona throughout her childhood and her young adulthood when she begins to realise she has to stop letting people walk all over her.

Based on the book "Kom hier dat ik u kus" by Griet Op de Beeck.
