

# Brainbeats

Original title: Brainbeats

Ten-year-old Boris sees his grandpa Jan forgetting more each day: how to set the table, how to tie his shoes, and maybe even who Boris is. Despite this, music keeps them connected. Boris brings Jan to his DJ lessons, where they decide to create a song together as a lasting memory. But as Jan's world grows foggy, Boris worries if their dream of getting their song on the radio is still possible.
