

Dark Rider

Original title: Dark Rider

As a teenager, Australian Ben Felten was diagnosed with a degenerative eye disease that left him fully blind by his mid-thirties. Despite years of hardship, and the enormous risks involved, Ben is determined to pursue his childhood dream of becoming a professional motorcycle racer. Together with former grand prix champion Kevin Magee, he sets out to break the world land speed record and become the fastest blind motorcycle rider in the world. During their journey, Ben and Kevin meet Jed, a teenager struggling to find his way in life.
