

Desert Island

Original title: Onbewoond Eiland

Katrien is a highly chaotic co-worker, so she must have a session with crisis manager Ronald. He will then decide if she gets to keep her job or not. What begins as a negative evaluation turns into an absurd bet: if Ronald can stand to spend the full 15 minutes with Katrien in his office, he can fire her. If not, Katrien keeps her job and gets his villa in the Galapagos Islands into the bargain. Whose nerves will prove the strongest? Ronald's secretary Minoes and the ticking clock will witness the verdict.
