

Fox and Hare

Original title: Vos & Haas

Fox and Hare is a comic animation series about a surprising mix of animals living in a forest. All the storylines revolve around Fox, a good-humoured extra-large-sized fox, and Hare, a sensitive friendly hare, along with their forest friends. During their daily activities, they experience funny, scary, crazy, challenging and exciting moments. Through friendship and imagination they answer questions and solve their problems in a creative way.
