

Ghost Party (Part 2)

Original title: Ghost Party (Part 2)

Since 2015 Manon de Boer and Latifa Laâbissi have been in continuous dialogue about the numerous voices that inhabit their thinking and their bodies. During a long process of exchange and 'cannibalising', the performance *Ghost Party (1)* and the film *Ghost Party (2)* were created. In *Ghost Party (2)*, De Boer and Laâbissi create little fictions with vases, stones and other materials, while giving voice to texts of 'ghosts' from their shared genealogies, such as Marguerite Duras, Serge Daney, Casey, and Eduardo Viveiros de Castro.
