

Hamsters

Original title: Hamsters

Philippe and Giovanni watch the world from their cage. Each tries, in his own way, to understand the world and face all the "dangers" that come their way. Philippe is calm, but Giovanni cannot handle the world and becomes hysterical and panicky with every new event. Contemporary and relatable, *Hamsters* will touch the hearts, and sometimes the crotches, of millennials.

CREDITS

DIRECTOR: Laura Janssens

PRODUCER: Stef Wouters
