

Heyssel 85

Original title: Heyssel 85

Inspired by true events, *Heyssel 85* tells the story of two young women, Jeanne and Martine, who are sucked into a whirlpool of violence, emotions and ethical dilemmas after a stampede in the stands causes the deaths of 39 football supporters and leaves hundreds more injured. When faced with a tragedy like Heyssel, what do you do as a human being? What are the limits of your principles at such a moment? Of the 50,000 spectators at the Heyssel Stadium, the vast majority stayed to watch the game. Jeanne is torn between emotion and reason.
