

# \_imovie[3]\_ Silver Lips / for me

Original title: \_imovie[3]\_ Silver Lips / for me

Images sent from Senegal are accompanied by a prose poem dedicated to the body of a loved one, waiting 'over there' for the right documents in order to travel 'over here'. A distance, a longing, almost too great to be true. Director Els Opsomer dissects the difference between a body and a picture, between the tangible and the intangible, and between representation and imagination.
