

Inertia

Original title: Inertia

J, a young woman, loses someone close to her. Instead of taking the time to reflect on how this loss affects her, she shakes it off and blocks her emotions. The moment she decides to ignore the change, a shadow manifests itself in her apartment. It slowly covers her desk, her books and her drawing material. J acknowledges the presence of the shadow, but doesn't think about the meaning of its presence. J keeps running away until she is forced to understand. When she finally does, all her pent-up emotions are released. She accepts the shadow and the change that came with it. Then shadow disappears, leaving J a changed woman, at peace.
