

Interstellar Ella

Original title: Interstellar Ella

Ella is a bright-eyed girl propelled by curiosity and ambition. She won't stop until she has discovered everything that the universe has to offer. A natural-born leader, Ella and her best friends – Slippy (a space native) and Madhu (a space alien) – are discovering exciting new worlds and doing amazing things that nobody else has ever done before, like surfing supernovas, riding comets, and racing Moon Scooters around Saturn's rings.
