

Journey to Yourland

Original title: Journey to Yourland

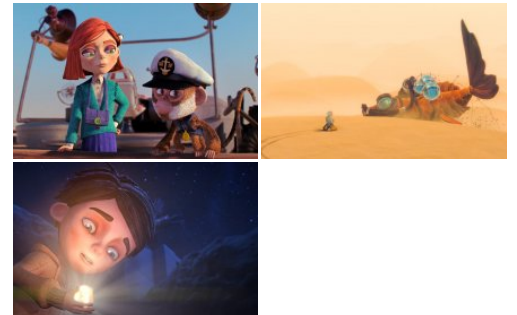

Riki, a 10-year-old boy, runs away from home, following a mysterious signal sent by a shiny stone. This strange artefact seems to have a mind of its own: it takes Riki to the breathtaking parallel world of Yourland, where wonderful machines roam golden deserts, monkeys and ravens talk, and science peacefully coexists with nature. But there are others in Yourland who want to possess the stone, and it asks for Riki's protection. It hides in his heart. Who can Riki share his secret with? His cheeky new friend Emma? Metal Man, the mighty robot? Tidling, a monkey general? Or nobody? Riki embarks on an adventure full of perils, traps and humour, to restore the stone to its 'nest' and to return to his own home, his heart intact.
