

Les Lynx

Original title: Les Lynx

Marie and Tony, passionate drivers of Bangers - a trash variant of the stock car - are members of a crew called Les Lynx. The investigation into the death of their daughter, crushed by a driver, stops due to a lack of police co-operation and Marie expels her anger on the speedway in violent crashes. Helped by the Lynx Team, she finds the driver. She wants to kill him but Tony insists they settle the dispute where their community has always settled them: on the speedway.
