

Les Misérables

Original title: Les Misérables

Les Misérables is Victor Hugo's masterpiece and one of the most beloved books of all time. Now, in a thrilling and heart-rending miniseries from writer Andrew Davies (*War and Peace*), it will come alive for a new generation. It is the story of France after the Revolution, where for ordinary people - 'les misérables' - the struggle to survive in a world of poverty and crime is all that counts. But for Jean Valjean, the convict who fatefully breaks his parole, it is a desperate struggle over many years to escape the relentless pursuit of the police inspector Javert.
