

# Little Story

Original title: Klein verhaal

A shuttle bus full of ants. At the rear is a small red Egg. It rolls gently against Ant, who looks at her Egg. When the bus stops, she holds it close to her. Ant takes her Egg to her job as an office assistant and then her second job as a cleaner. She talks and cares deeply for her Egg. The Egg grows and grows in Ant's arms, becoming heavier and heavier to carry. It is enormous and fragile at the same time. When Ant realizes that it needs more care and attention than she can give, she has to make the most difficult decision of her life.
