

matter on its dance through time

Original title: matter on its dance through time

In an immense landscape, nature's fragility and detail take on meaning. The moon shakes, a stone balances on a rock, a storm obscures an entire mountain range. Movements in the seemingly static landscape take on increasing significance. Visible frailty evokes vulnerability in the aftermath of sexual violence.

CREDITS

DIRECTOR: Jana Coorevits

PRODUCER: Jana Coorevits

WRITER: Charlotte Van den Broeck

CAST: frankie fleming

EDITING: Jana Coorevits

PHOTOGRAPHY: Jana Coorevits

TECHNICAL SPECS

RUNNING TIME: 24' 33"

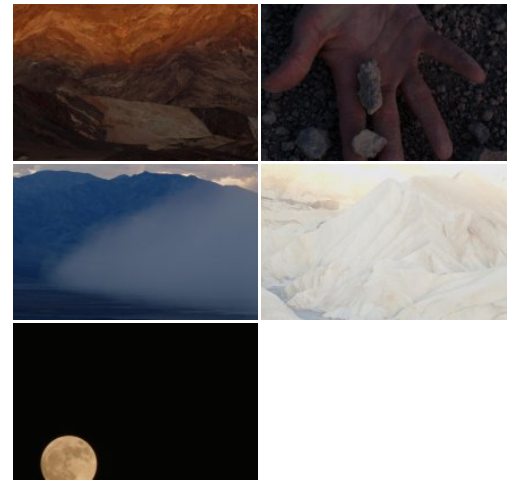

AVAILABLE IN: 2D

ASPECT RATIO: 16:9
