

My Angel

Original title: Mon ange

Devastated with grief after the mysterious disappearance of her magician lover, Louise is sent to a psychiatric asylum. Nine months later, she gives birth to Angel, a baby boy with an incredible gift: he is invisible. To protect him from the cruelty of the outside world, his mother hides his existence. Angel grows up quite normally until he meets Madeleine, a little blind girl the same age as him who lives nearby. They quickly become inseparable, Madeleine entirely unaware that Angel is invisible. Then, one day, Madeleine announces something that will turn their lives upside down: she will recover her sight.
