

Newcomers

Original title: Nieuwkomers

Four adolescent immigrants have been in Belgium for about a year: Aya from Syria; Zineb from Morocco; Simeon from Dominican Republic; and Sofia from Colombia. As they try to integrate, they discover this land of opportunities turns out to be quite dull, sometimes even hostile. Looking for ways to express their wonder and frustration, they gather in a theatre and let their imaginations take flight. Drawing on their storytelling skills, and the music of their homelands, they share their stories.
