

# Next Year, We Will Leave

Original title: L'année prochaine, on partira

Guided by a sentence from her childhood, director Juliette Joffé encounters three people in Paris: a collector of lost objects, a princess in Disneyland, and a coffee seller. *Next Year, We Will Leave* is an attempt at reconciliation with her hometown, through a dialogue with strangers. Through a mirroring effect, the first-person narrative echoes the stories of those filmed, questioning the possibilities of the documentary encounter.
