

Richard The Stork

Original title: Rikkie De Ooievaar

Orphaned at birth and raised by storks, sparrow Richard believes he is one of them. But when the time comes to migrate, his family must reveal his true identity and leave him behind in the forest, since he would not survive the journey to Africa. Determined to prove he is a stork after all, Richard ventures south on his own, joined by an eccentric owl with an imaginary friend and a narcissistic, disco-singing parakeet. During their epic journey, they run into many obstacles, like deadly bats, internet-addicted pigeons, mafia crows and a thundering jumbo jet...
