

Round 3

Original title: Ronde 3

The new school year brings new challenges for 14-year-old Sana. She is starting at a new school where she will learn all the ins and outs of the world of baking. In the evenings, she is training hard for her very first international boxing match. In a couple of weeks, she and some of her teammates have been invited to fight at the Olympic Centre in Pisa. How will she cope, combining these two passions that demand so much of her? Will she manage to juggle both and succeed in finding her footing?
