

Skate The City

Original title: Skate The City

Skater-girl Pippa is determined to claim her place in a city that offers little space to skateboarders. Together with her friend Victoria, she goes into town in search of cool spots for street skating, only to find new signs saying, 'NO SKATING'. Back home, Pippa and Victoria come up with a plan to reclaim the streets. They let their imaginations run wild: what if they organise a street contest themselves? And skater-girls rule. On that day, the streets will belong to the skaters. They decide to put this daring plan together themselves, and immediately spring into action.
