

Somewhere in Between

Original title: Ergens tussenin

How do children experience sexuality? Around the age of 12 their bodies begin to change, and parents, teachers and peers start to see these bodies differently. Teachers talk about that changing body and what children can do with it. But how do themes such as puberty, love and sexuality appear from the children's point of view? This film sets out to provide an answer.

CREDITS

DIRECTOR: Liza De Maeyer
