

Sorry

Original title: Tegenwoordig heet iedereen Sorry

Bianca, who is almost 13, knows there is no room for her in the family. Her mother thinks she needs a user's manual to understand her daughter, and directs all her attention (and love, in Bianca's experience) to her little brother Alan, who has a heart condition. Bianca is out of control, says her father, who has left the family for a new life with "his Cruz". Now Dad and Cruz would prefer not to have Bianca stay with them every weekend. Then, on a very hot summer's day, Bianca's favourite actress Billie King is suddenly, paradoxically sitting casually in Bianca's living room. And she says Bianca is remarkable.
