

Summerlight... And Then Comes The Night

Original title: Sumarljós og svo kemur nóttin

The village is brimming with stories and, if you listen closely, you might just hear some of them. Perhaps the one about the businessman who dreams in Latin and sacrifices his promising career for astronomy and old books. Or the one about a delicate boy who carves moorland birds and dreams of being an artist. Or maybe the one about the open-air affair that has explosive unforeseen consequences...
