

# Têtes Brûlées

Original title: Têtes Brûlées

Eya, a 12-year-old lover of rap and dance, has a close relationship with her 23-year-old brother, Younès. She spends her days with him and his friends, who she admires very much. Then Younès unexpectedly loses his life in a vaguely criminal incident, leaving Eya to survive the intense and highly codified period of mourning demanded by her culture. With the help of her creativity, her resilience and her brother's friends, she finds her own way to accept this new reality.
