

The Bad Guy

Original title: The Bad Guy

While enrolling her daughter in a day care programme in Austin, Texas, Belgian filmmaker and first-time mother Louise stumbles upon the concept of active shooter drills. Originally worried about school shootings, she begins to wonder about the measures taken to keep the kids safe at school. Are pupils really protected by teaching them how to run, hide, or fight? Or by arming their teachers? The documentary reveals a troubled Texas, deeply affected by the tragedy at Uvalde, with one common denominator in all the people it portrays: fear of the bad guy.
