

The Eight Mountains

Original title: De acht bergen

***The Eight Mountains* tells the story of Pietro and Bruno, a city boy and a mountain boy, who become friends at the age of 11, with a forgotten part of the Alps as their kingdom. As the years pass, they lose each other and find each other again. While Bruno remains faithful to his mountain, Pietro travels the world. A journey in solitude and love, past origin and destination, across friendship, life and death.**
