

# The Hero With A Thousand Faces

Original title: Le héros aux milles visages

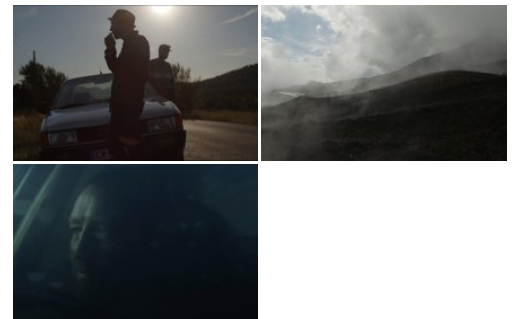

Anxious because he is not currently employed, an aging actor embarks on a seemingly aimless road trip. He confides in a young British hitchhiker who understands almost nothing of his French. Mixing documentary scenes, impressionistic monologues and absurdist dialogues, the film focuses on a protagonist who only feels comfortable in fictional roles and struggles to live with himself and his past.

## CREDITS
