

The Swirling Tangle

Original title: De wervelende wirwar

Over 12 six-minute episodes, *The Swirling Tangle* follows Joke, a soap-opera actress played by soap actress Joke Devynck, as she moves through her everyday existence. She gives classes to other actors and goes to the bakery, visits the hairdresser and the café. An old, crackling voiceover provides commentary on Joke's actions and encounters, but the voice also intervenes, in the way that a chorus intervenes in a classical Greek tragedy.
