

This Day Won't Last

Original title: ??? ????? ?? ????

Homosexual acts are a criminal offence in Tunisia, thanks to a law introduced during the French colonial period. Through home-made videos and photographs, the director meditates on life under this repressive law, and expresses a longing for love, freedom, opportunity, and community. From fear to uncertainty, *This Day Won't Last* creates an intimate and touching story, a personal yet collective experience.

CREDITS
