

This Is Not A Murder Mystery

Original title: This Is Not A Murder Mystery

It's the spring of 1936, and the First International Surrealist Exhibition has just taken place in London. The exuberant Lord James invites the young, and as-yet unknown, René Magritte to his estate to pursue his work, alongside Salvador Dalí, Lee Miller, Man Ray and many others. Magritte doesn't think twice. But after a wild first night at the estate, he wakes up next to the dead body of a young woman he remembers trying to seduce. The budding surrealist has no choice but to turn detective and find the real murderer.
