

wtFOCK Ada

Original title: wtFOCK Ada

Fifteen-year-old Ada has been together with 16-year-old Finn for several months. He is ready to have sex for the first time, but Ada is not ready. Meanwhile, Finn's best friend Noah becomes more and more interested in her. Ada is confused. She likes Finn, but feels something for Noah as well. After a big argument, Finn breaks up with her. And Ada ends up in Noah's bed. They have sex, the first time for both. Ada feels guilty and confesses everything to Finn, and he is furious. The entire circle of friends is split apart by the affair. Everyone has to choose a side. And then a nude photo of Ada goes viral at the school. Will she survive the exams? And who leaked the photo? Because Finn swears it wasn't him.
