

Young Plato

Original title: Young Plato

At an all-boys primary school in post-conflict Belfast, Northern Ireland, headmaster Kevin McArevey encourages his pupils to see beyond the boundaries and limitations of their community, sending them home each day armed with the wisdom of the ancient Greek philosophers. The boys challenge their school-friends, parents and neighbours to find alternatives to violence and prejudice, and to reject the mythologies of war. *Young Plato* is full of humour, and shines a positive light on contemporary Northern Ireland, offering a model for building a culture of peace in these troubling times.
